

# Short-term research grant

## Application Form

### 1. Applicant – General Information

First name

Last name

Sex

Date and place of birth

Citizenship

E-mail address

Phone number

Academic title/degree

Education

Foreign languages  
(in brackets, please indicate your level of ability according to the Common European Framework of Reference for Languages)

Employment history

Field of science

<p>Residence address (street, building number (if applicable), apartment number, postal code, city, country)</p>	
<p>Academic affiliation/institution of the Applicant (present or last previous) – please indicate all current affiliations</p>	
<p>Employment status</p>	
<p>Full name of institution or workplace (street, building number (if applicable), postal code, city, country, website, e-mail address, telephone number)</p>	
<p><b>2. Applicant's Professional Achievements</b></p>	
<p>Name of institution awarding PhD/MA and date</p>	
<p>Title of PhD/MA thesis</p>	
<p>Institution at which the Applicant commenced postgraduate studies, year of commencement, and title of the planned PhD thesis (applies only to doctoral students)</p>	
<p>A list of publications with an indication of at maximum the 10 most important papers/books published; where possible, please indicate the current five-year impact factor of the journals and the number of citations per publication (excluding self-citations)</p>	

Where possible, please provide the total number of citations of all your publications, excluding self-citations, as well as the h-index (preferred source: Web of Science TM Core Collection or Scopus)

A list of research projects that have either been completed or are still on-going, highlighting international projects, with an indication of sources of financing and of the Applicant's role in individual projects; please indicate the project title, project supervisor and the period (dates) of implementation

Conference appearances – please specify only the 5 most important (no earlier than 2010)

Other achievements: awards, internships, membership in scientific societies and organizations, etc. (at maximum 10)

Research area(s) specified in the recruitment advertisement for which the project is proposed

### 3. Project Proposal

Title of the proposal

Key words

Start date

End date

Proposal classification according to the OECD classification of fields of science and technology (a minimum of one and a maximum of three indications are possible)

**A research project proposal presenting research questions/a description of the problem to be resolved, the aims of the project, research methods and tools, and the anticipated results (up to 1000 words)**

**An explanation of the importance and impact of planned research for the corresponding area of study (up to 800 words)**

**Schedule for research work to be carried out in Poland**

**A list of archives or other institutions to be consulted (if required)**

#### 4. Applicant's Referees

First and last name of referee	
Academic title/degree	
Field of science	
Details of the referee's place of work	
Referee contact details, official address, e-mail address, telephone number	

The letter of recommendation should be sent directly by the referee from his/her official address to the following e-mail address: [scholarships@instytutpileckiego.pl](mailto:scholarships@instytutpileckiego.pl)

#### 5. RODO

I hereby consent to the processing of my personal data for the purposes of the recruitment process, this pursuant to the provisions of Article 13, Subparagraph 1 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)

I hereby:  
consent to the processing of my personal data for the purposes of the recruitment process,  
confirm that I have acquainted myself with the principles of protection of personal data as set forward in the regulations of the Short-term research grants (see the attachment in the announcement),  
confirm that I have fulfilled the obligation to duly inform persons whose personal data has been submitted in connection with the present application, this by providing thereto the principles of protection of personal data as set forward in the regulations of the Short-term research grants.

Date and signature

#### 6. Declarations (with Check Boxes)

	The information provided in the above application is true and correct. I am aware of the criminal liability for the attestation of untruths concerning facts of legal significance/relevance.
	I have not been convicted of an offence related to my professional activities, of a breach of professional ethics, or of serious professional misconduct.
	I am not the accused in proceedings pending concerning fraud, corruption or any other illegal activity that results in material damage or threat of the same
	I have not intentionally or negligently failed to perform contracts or implement projects financed or co-financed from public funds

Date and signature

Please complete the form electronically and send it to [scholarships@instytutpileckiego.pl](mailto:scholarships@instytutpileckiego.pl)

The following should be attached to the same e-mail:

##### Postdoctoral researchers:

- A scan of your PhD diploma or a document confirming receipt of a doctoral degree, together with a certified English translation thereof (if the original has been issued in a language other than English or Latin).
- A PDF file containing at least two selected publications in English. For a monograph, please attach a file containing the cover page, editorial page, the table of contents and a selection of extracts presenting your most important theses (up to 20 pages).
- If applicable – confirmation of your contract of employment.

##### Doctoral Candidates:

- A scan of your MA diploma or a document confirming receipt of a MA degree, together with a certified English translation thereof (if the original has been issued in a language other than English or Latin).
- A PDF file containing at least one selected publication in English. For a monograph, please attach a file containing the cover page, editorial page, the table of contents and a selection of extracts presenting your most important theses (up to 20 pages).
- If applicable – confirmation of your contract of employment.
